

Easter

Respect

Everyone treats our environment with respect and appreciates the cultures, beliefs and views of one another.

- The most important Christian festival
- Remember last week of Jesus' life
- The celebration of Easter starts on shrove Tuesday
- Day before Lent – this is where Christians reflect on how they can be better Christians

What is Lent?

Preparation for the
celebration of
Easter

Reminds Christians
how sin separates us
from God

Lent lasts for 40 days

From Ash Wednesday to
the Saturday before
Easter

Lent is a time of prayer
and fasting to draw us
closer to God

Reflection

Rather than give something up. Is there something you can begin?

Respect

Everyone treats our environment with respect and appreciates the cultures, beliefs and views of one another.
