Promoting British Values at Bledlow Ridge School

In 2011, the government defined British Values as democracy, the rule of law, individual liberty, mutual respect and tolerance of different faiths and beliefs. We promote these values through our school vision, values and aims, our curriculum and teaching and learning strategies, and the enrichment activities in which our pupils participate.

| Value | How We Promote It |
|-----------|--|
| Democracy | We have an elected school council that meets regularly. These children are involved in key decisions about aspects of school life and promote anti-bullying on behalf of the others. Much of their decision making is made through a democratic voting system. |
| | We encourage volunteerism in and out of school. This includes things like Sports Leaders, and also raising money for local and national charities. |
| | The beginnings of democracy are taught through historical research relating to the civilisation of Ancient Greece. |
| | Democracy is also promoted through relevant topics in History and Literacy. |
| | Children's opinions are listened to; for example, classes raise issues which are then brought to full school council meetings and pupils are empowered to advocate for change not only by raising matters through class and school councils but also by making individual appointments with the head teacher to discuss issues of concern or interest. |
| | Circle time in the lower school is also used to discuss any concerns the children may have. |
| | Children are encouraged to develop their debating skills where appropriate in KS2 lessons. |
| | From Reception onwards, group work positively promotes turn-taking and children are expected to respect the opinions of others, even if they are different from their own. |
| | Class rules are discussed and drawn up collaboratively with the children at the beginning of each academic year and are displayed in the classroom and referred to regularly. |
| | |

| The rule of law | We have high expectations about pupil conduct and this is reflected in our Codes of Conduct (for pupils, staff and parents), Behaviour Policy and our Home School Agreement. |
|-----------------------|--|
| | There are rewards for good behaviour and house points, as well as weekly awards in assembly. |
| | As part of our Behaviour Policy parents are informed when things go wrong, are expected to be involved in the process to make things right. |
| | Parents and pupils are asked to sign a home-school agreement on admission to the school. |
| | Through our school ethos, children are taught about respect, trust and forgiveness and are supported as they think about how to know the right thing to do, even when the choice is a difficult one. |
| | Weekly 'Stars of the Week' and 'Golden Ticket Winner' in Celebration Assembly celebrate the achievements of the children. |
| | The expectations of behaviour apply equally to school trips/visits, and when taking part in sporting and other events with other schools. |
| Individual liberty | Through our school ethos and aims, our focus on mindset and teaching across the curriculum but particularly in PSHCE and Circle Time, children are taught about personal responsibility, the courage to stand up for what is right, perseverance and aspiration. |
| | Success Criteria in each class/lesson promote independent learning, Good Learner characteristics and growth mind-set attributes are taught and nurtured though the Active Learner Initiative. |
| | Children are taught how to keep themselves safe, including on-line (E-Safety policy). This is done through computing lessons as well as through the PSHCE curriculum. |
| | We have a zero-tolerance policy towards bullying. |
| | All children are given opportunities to explore critical thinking issues and develop their ability to discuss their opinions and work together to explore how they may disagree or agree with each other. |
| | KS2 Literacy sessions include a focus on persuasive texts and debating sessions. Specific language such as, 'I agree with' is encouraged to structure debate. |
| | Children are encouraged to reflect on how their actions affect others. |
| | We celebrate diversity and look for ways to reduce typecasting of a gender, religious and cultural nature. |
| | We have high expectations about pupil conduct and this is reflected in our Behaviour Policy, Anti- Bullying and Equality Policy. |

| | Through our school vision and values, children are taught to respect each other, to be cooperative, collaborative and supportive. |
|---------------------------------------|--|
| Respect | Mutual respect is also promoted through PSHE and throughout the curriculum. |
| | Group work across the curriculum promotes respect for the opinions, ideas and beliefs of others. |
| | In Reception and KS1, children are taught to listen and respond appropriately to others. |
| | Out of school excursions, competitive sporting events and activities with other schools promote respect and cooperation with others. |
| | Pupil achievements are celebrated during weekly assemblies. |
| | Pupils are encouraged to see each child and adults in school as unique individuals in a community with shared values. |
| | We are inclusive; welcoming children from all faiths and none into our School. |
| | Children are encouraged to appreciate their own culture and what it means to be British. |
| | We celebrate diversity and look for ways to reduce typecasting of a gender, religious and cultural nature |
| | |
| of different faiths and beliefs | We have high expectations about pupil conduct and this is reflected in our Behaviour Policy, Anti-Bullying and Friendship Policy, Codes of Conduct and Equality Policy. |
| | Tolerance of different faiths and beliefs is promoted through the Locally Agreed Syllabus for Religious Education. Children learn about different religions, their beliefs, places of worship and festivals and their learning on these topics may be displayed in classrooms and around the school. |
| | Visitors share their experiences of different faiths to support the teaching of RE and children have the opportunity to visit places of worship including the local church. |
