There are so many positive responses from the questionnaire and the vast majority of parents are very happy with what the school provides. Thank you to all parents who took time to complete the survey and your lovely comments about our wonderful school.

As always, if you have any questions please do come and speak to your child's class teacher or myself.

Below are some comments received in response to the question **“What are the areas of strength of the school?”**

The headteacher is so friendly and approachable, as are all the team from reception, teachers, music teachers. The educational days (science days etc..) are original and fun inspiring our children. I have nothing negative at all to say about this school!*
- *Leadership, inclusion. Activities are broad ranged, people are friendly, facility is good*
- *A relatively new head teacher that is driven and wants the best for the children and the school. Leading by example and wanting the best out of the teachers too which in turn effects the learning of the children.*
- *Head teacher, small size, some excellent teachers, BRSA fundraising. The focus on the individual and the wide range of curriculum and improvements to school trips and values*
- *A sense of community. Lots of enrichment opportunities and clubs*
- *Strong community. Focus on values. Friendly and welcoming. Fun for the kids. My child loves his teachers, especially Mrs Rankin and Mrs Harrison! A real focus on positive, can do learning*
